WEEK 3 :: This Could Get Uncomfortable

--- Watch Video ---

NOTES:

Discussion Questions ::

1. Have you ever had a time when you had to step out of your comfort zone? How did that work out? Were you glad you did?

2. Knowing that God has already given you all you need and has most likely even trained you for your next level (just like David learned the skill he needed to defeat a Goliath while growing up a shepherd boy), how does that change the way you think about your future? Are there any dreams you may have forgotten or given up on?

CHALLENGE: This week begin taking an inventory of the gifts and talents God has given you? Don't discount anything! Write them in your journal and in your quiet time...give them back to God and see what God could do with your willingness. It might get uncomfortable but it will be worth it!!!
