

WEEK 12 :: Celebrate

--- Watch Video ---

NOTES:

Discussion Questions ::

1. Congrats on finishing this 12-week course!!! I am so excited to see what God has next for you and the call He has placed on your life. What is the biggest revelation you received from going through this study? Discuss them with the group.

2. Time to celebrate! Share one thing about yourself that no one in the group may know? Share one thing about Jesus that you LOVE (really LOVE!) about Him! Share your God-sized dream!

CHALLENGE: ITS YOUR TURN!!! Celebrate tonight but tomorrow start your Calling over Comfort Group! You can do it!!! Do it in your home, around your kitchen table, at lunch during work, at a coffee shop, or at your church. Invite 2 or 40 whatever God says and watch how God blesses you!!! Plan to come to the next CBC RETREAT because I can't wait to meet you!!!
